

HAPPY NEW YEAR

We wish you all a Happy New Year, thank you for your continued business in 2007

NEWS

2007 was a great year for **didBOX™** sales. We hit an all time record volume and sold to a very wide range of manufactures and dealerships. The largest fleet of forklifts was 116 units - again another record.

Due to the extremely high quality of **didBOX™**, we were able to introduce our "no quibble" five year warranty.

We moved to our new headquarters in Salisbury - altogether a busy year for us, and an exciting one. Please note our contact details below.

didBOX™ The key to controlling your fleet

IMPORTANT NOTE

60% of our sales are now as a result of demand from fleet operators. THINK, if you are not offering your fleet clients a management control system, your competitor probably is.

NEW FEATURES for 2008

- Easier to use software and downloads
- Reprogrammed system software and downloads
- Fully Functional door or barrier access systems

COMING SOON!

Our web-site will feature an interactive system demonstration that your potential customers can see and use. We hope this will help you!

PLEASE MAKE A NOTE OF OUR NEW CONTACT DETAILS
